PROUDLY MADE IN AMERICA

**CUTTING EDGE**  
INDUSTRIES

2020

Our typography wall art line is made from laser cut steel and available in a matte black powder coated finish. We sell a wide selection of unique designs, all of which are made in the USA.

Each piece comes packed neatly in a box with mounting screws for easy hanging.

If you have a custom idea you'd like to have made, our design team is ready to help. We also offer a variety of other powder coated finishes that are available for larger size and custom orders.
